4. SPECIAL SERVICES

We offer companies subscription-based wellness and office comfort packages (snacks, health services, team events) to improve employee experience.

How Packages Work

- Each package is independent: it has its own fixed content and monthly price, without depending on the others.
- Prices are calculated for a 20-employee company, showing both the estimated cost and the client price (50% margin).
- Add-on principle: any fixed package (Essential/Premium Delivery, Essential/Premium Services) can be extended by adding extra items from the Flexible Pack list on top, priced à la carte in addition to the base package price.
